

UK and North America Sage X3 ERP specialists.

Specialising in Sage X3 only, means we do one thing, better.

Why choose us?

Sage X3 laser focus

Inixion was founded in 2006 by one of our directors who had extensive Sage X3 experience. Twenty years later, we remain dedicated solely to Sage X3.

Sage X3 knowledge

Over the years, our team of certified Sage X3 consultants has continued to expand, accumulating a combined experience of 250+ years.

Industry expertise

We have extensive knowledge of the manufacturing and distribution industries, as well as the finance function.

Global experience

We are an accredited Sage UK & Sage NA partner. We support over 5000+ users across 5 continents.
